Lone Peak Interagency Hotshot Crew (IHC) is seeking highly skilled and motivated applicants to fill seasonal crewmember positions for the 2024 wildfire season. Individuals interested in these positions must be a team player, self-disciplined, hardworking, and in top physical condition. The incumbents will serve as a firefighter performing duties associated with wildland fire suppression, prescribed fire implementation, fuels management, and other project work as assigned. Daily assignments are often completed in an arduous, complex, dynamic, and hazardous work environment.

Lone Peak IHC is a state sponsored Hotshot Crew part of Utah's Department of Natural Resources, Division of Forestry, Fire and State Lands. Lone Peak adheres to all guidelines outlined in the Standards for Interagency Hotshot Crew Operations (SIHCO).

Prospective crewmembers must be prepared for rigorous physical training. This includes but is not limited to long distance running, hiking with heavy loads, and calisthenics.
